**Say a prayer for Marilyn Scott!**

If you've ever called our office, you know Marilyn! She's the voice that welcomes so many people! She's the one that does all the work at Disability Services! (Everyone knows that Dennis just sits around & watches!)

Marilyn has been recently diagnosed with Stage II breast cancer and has started chemo treatments. The good news is that it was caught early and the prognosis is very good, but it is going to take quite a bit out of her. She's had multiple tests and procedures. She is half way through chemo and will then undergo surgery and radiation. She is doing well.

So, please keep Marilyn in your prayers! Also, please feel free to reach out to Marilyn by card or [email](mailto:). I know she'd appreciate it! You can send your cards to: Disability Services / Marilyn Scott, 7911 Detroit Ave, Cleveland, OH 44102!

**Camp Happiness**

What a great summer Camp Happiness has been having! All 3 sites have been providing fun activities for the kids since June 22. We are finishing up
the 4th week already. Next Friday, July 24, is Field Day at Lincoln Park in Tremont. All 3 sites will come together for a day of games and food and music! And maybe a visit from a local sports mascot!!

Campers have enjoyed swimming this summer, even with all the rain we've had. They've gone to the Zoo, the Natural History Museum and many others fun places!

We also have a wonderful staff this year! Many new employees along with our veteran staff have created a fun, safe and educational atmosphere for the kids! Thank you Camp Happiness staff for a great 2015 summer!

CAEP starts September 19, 2015

It feels like the CAEP (or Saturday Program!) just finished the 2014/2015 year on Saturday, May 23. But we are already thinking & planning for the next year already!

We had a great last day with Awards and an Art Show!! Our students were so proud to show off all of the great art work they did over the year! Thank
you to our CAEP teachers - Mae, Michelle & Gerry - who worked very hard with the students this past year on these art projects.

Information about the start of the 2015/2016 year will come out in August. Keep an eye out for that! And if you would like more info on the CAEP, you can email Marilyn or check it out on our website.

First Annual Adaptive Sports Day Success!

Disability Services & CYO had a successful Adaptive Sports Day on May 30 at Hawken Schools in Gates Mills. Many families came out and enjoyed basketball, cornhole, chair volleyball and a short walk/run! It was a great opportunity for us to collaborate with CYO in providing integrated sports opportunities to children and young adults with disabilities. Thanks to the great volunteers and CYO staff who put this day together!
