Positive Parenting: The Ride Home

New for the 2017-2018 year, Play Like a Champion has added Video Notes that will supplement our usual posts throughout the year for coaches, parents and athletes. Click on the video above to learn how positive interactions on the ride home can change the athlete experience.

The Weekly Game Plan

Plan 3 questions you can ask as parents on the next ride home. These could come from the video above or could be your own positive additions.

Each week we'll provide a short reflection or challenge related to the note's topic. These are designed to help coaches, parents and athletes consider how you can bring the Play Like a Champion approach to life in practical ways at your parish, school or league.

A Prayer for Parents

Lord, thank you for the gift of my children and the opportunity they have to play sports. Help me to do what I can to make this a positive experience for them. Help me to always understand that this is their game and to find ways to make sure their experience brings them joy. Give me the grace I will need as I watch my young athlete participate and interact with the athletes, coaches and parents involved in the team. May you protect all these athletes as they play, keep them safe and grant that they may have a fun experience that draws them closer to You through growth spiritually, mentally and physically. May our family always seek to glorify you in all that we do. Amen.
