

HOW DO I ZOOM?

Zoom is a FREE service that you can use on your **smart phone, laptop/PC or tablet** to connect with others virtually in a group.

Before You Begin:

Zoom is a free service that anyone can use, but you can control more of how it works when you register for an account. To sign up for Zoom, visit the *Zoom website* (www.zoom.us) and click **SIGN UP, IT'S FREE** in the upper right corner.

Zoom also allows you to join meetings without creating an account, but you won't be able to personalize certain settings (like setting a virtual background to protect your privacy).

Step 1: Download Zoom (OPTIONAL)

If you are using a phone or tablet, visit your device's app store and search for "Zoom" and download the app.

If you are using a home computer/laptop, Zoom will download automatically when you click the meeting link.

Step 2: Join Meeting

CLICK ON THE ZOOM DANCE LINK emailed to you or go to www.zoom.us and click "join meeting", then enter the meeting ID number.

CONNECT WITH COMPUTER AUDIO AND VIDEO IF POSSIBLE.

*If you cannot join on your smart phone or computer you can DIAL IN on a regular phone by calling: 1 (646) 558-8656. You will be prompted to enter the meeting ID. If you choose this option you will only be able to hear the dance...not "see" the DJ and participants.
